

SERVE THE PEOPLE

Encircling the city from the countryside!

The offensive from the countryside
From north, to south, east, and west
Rural guerillas, workers, and tribes
Tactical offensive is getting ripe!

Encircling the city from the countryside!

Local reactionaries are cornered
Trembling with fear, giving the peace sign
High-powered rifles seized
Seized and centralized
The people and its army are working hand in hand

Geared up with scholar hat
Courage and guns
Encircling the city from the countryside

Gather the local pest in the people's court
Seize the factory
Seize the machine and time
They cannot high-jack our democracy now
For the imperialist pig
will suffer the final blow!!!

Geared up with scholar hat
Courage and guns

Encircling the city from the countryside
Encircling the city with a concrete goal

Encircling the city with...
With one mission
Serve the people

Sinumbong na-deport

Pinauwi ng immigration

Pinakain, pinaihi, at pinatae

Nakaposas silang kumakain

MULTIPLE DEPORTATION (ENGLISH)

None, no medical insurance

None, no life insurance

None, no paperwork

Try your luck...

The freeway is faster

Working hard

Sleepy

Double-job to survive

Was deported

Was reported, then deported

Married a green-card holder
An abuser, who throws punches,
Strangles and shoot to kill
I give up...

Was reported, then deported

The immigration officers sent them back
To where they came from
They fed them, they let them urinate and defecate

But they were handcuffed while they ate
They were handcuffed while they urinated
They were handcuffed while they defecated

They were treated worse than animals

What will happen to them?
They could have been our parents, boyfriend, girlfriend, best friend
Or they could have been you, you, or you

LUPA

SEIZE THE TIME

Demonyong sadistang
imperialistang kano
United we stand raw, eh para
mangtorture pala
Sabi "love your enemies,"
pero binobomba ang Baghdad

Liberators ba, freedom fighters,
o conqueror?
They seize the time para mangamkam
Let's seize the time para lumaya

"Sure, for sure, you can send more troops
But we will smash them into smithereens"

"Sure, for sure, and for short
before you forget
We will annihilate you!"

Like Mao Tse-tung says
Class war is not nice and polite
"Political power grows out
of a barrel of a gun"

Mandarambong at mapanupil na
administrasyong kano
Anong nangyari sa patriotism mo, ha?
Tagilid ang laban 'no, nasaan ang WMD?

Libo-libong inuuwing ataol
Kalayaan ba o langis?
Goddammit it's
Goddammit it's oil!

SEIZE THE TIME (ENGLISH)

Demonic, sadistic U.S. imperialists
They say, " United We Stand", but they mean to torture
They say, " Love Your Enemies", but they are bombing Baghdad

Are they liberators, freedom fighters, or conquerors?
They seize the time to steal

Let's seize the time to liberate ourselves

Sure, for sure, you can send more troops
But we will smash them into smithereens

Sure, for sure, and for short before you forget
We will annihilate you

Like Mao-Tsetung says
Class war is not nice and polite
"Political power grows out of a barrel of a gun"

Thieving, conquering U.S. administration
Whatever happened to your patriotism, huh?
So where are your excuses now?
What Weapons of Mass Destruction?

Thousand of coffins are coming home
For freedom or oil?
Goddammit it's
Goddammit it's oil!

ALL POWER TO THE PEOPLE

Rich fuckers come up and they die
Their kids are no good and they die out
But we keep on coming
We're the people that live
They cannot wipe us out
As a matter of fact, they cannot scare us

And we'll go on forever
'Cause we're the people

Goddammit

Your folks
My folks
Everybody's folks
Get harrassed and killed
But they cannot intimidate us like this
Because we keep on coming
And we're gonna keep on coming

Hey fascist pig

Don't give me that "You complain too much"
I know my rights and I'll practice my rights
Show us your boss goddammit,
show us your boss goddammit
So we can shoot 'em with our shotguns
goddammit

All power to the people goddammit!

WELGA

Welga, welga

Kahit kailan, di tayo
Matatalo sa laban
Bakit, nagkakaisa tayo
At kasama natin ang
Mamamayan ng Hacienda Luisita

Makahanda tamo po
So, relax tamo po
Uling malapit ne po
Ing kekatomong panayan

Walang nananalong welga
Na ipinanalò sa korte
Tandaan ninyo yan
Dito sa piket line pinananalo and welga

Berdugo, Cojuangco!
Welga, welga

WELGA/STRIKE (ENGLISH)

Strike, strike!

We will not fail in our struggle
You know why?
Because we are united
And the people of Hacienda Luisita is on our side

Are we ready?
So, lets relax
Because what we are waiting for is drawing near

No victorious strike
Is won in court
Remember that
Strikes are won here at the picketline

Butchers, Cojuangco!

Strike, strike!

COMMUNITY ORGANIZER

You wash and iron clothes for a living
You mop the floor and clean the bathroom
If you get lucky
You babysit kids
If it's a good day, you take home the leftovers

Can't read and write well
But your kids get good grades in school
They'll finish soon and you hope
to have a better life

Then you can eat three meals a day
- never go hungry

You want a simple life
Never enjoyed bourgeois luxury
Your other kids are jobless
Your other kids are at the picket line

You're a father, mother, teacher, maid,
community organizer

PRISON AND BEYOND

The sun is out and they locked me in this hell
My friends are gone and I am down here
Taking their strike and blows
I won't bow down

The tree will keep on growing
The sun will keep on shining
The people will keep on fighting

As long as there is injustice

In darkness and helplessness
I'm standing tall
The people give me strength
Like a bird, that looks down
On the small demons below

THE PASSION OF SATAN

Nagmamatigas ka pa, ha!

Umamin ka na, na miembro ka ng
Partido Komunista!

Pinaghahampas po ako ng butt ng baril
Pinagboboksing at pinagkakarate
Pinaso ang utong at labi
Pinaupo ako sa bloke ng yelo
Habang kinukuryente ang bayag ko

Sige na umamin ka na
Please naman, ano'ng gusto mo
malboro, milo, o ovaltine?

Hinayupak na propesyunal na torturer
Graduate ng school of Amerika

Sige na umamin ka na
Please naman, ano'ng gusto mo
malboro, milo, o ovaltine?

Tama na, patayin n'yo na ako
(Umamin ka na, umamin ka na)
Wala talaga akong alam (Umamin ka na,
na miembro ka ng Partido Komunista)
(Umamin ka na...Central Committee)
Patayin n'yo na ako

Pinaghahampas po ako ng butt ng baril
Pinaghubad at pinagsayaw
Habang tinututukan ng 45.
Pinilahan ako ng kung sino sino
Kahit wasak na ako, buo pa rin
ang prinsipyo ko

THE PASSION OF SATAN (ENGLISH)

Tryin' to be tough, heh!

Confess that you're a member of the Communist Party!

I was beaten with the butt of a rifle
I was punched and kicked
My nipples and lips were burned (with cigarette)
They sat me down on a block of ice
While they electrocuted my testicles

C'mon just confess
Please...you want Marlboro, Milo (chocolate milk) or Ovaltine?

Evil professional torturer
A graduate from the School of Americas

Enough already just kill me (confess, confess)
I really don't know anything
Just kill me

I was beaten with the butt of a rifle
They forced me to strip and dance
While pointing a .45 cal gun at me
They lined up to rape me, one after the other
Although I was violated
My principles stay strong

Evil professional torturer
A graduate from the School of Assassins

HAMLET

Punyetang walang patawad na rehimen
Masaker dito, masaker doon
Hinamlet ang mga barrio
Dinala ang masa sa basketbol gym
Kumalat ang bulutong, tigdas, at lagnat
Linalanggam ang mga deadbol na sanggol

Hustisya, hustisya
Sa mga pobreng magsasaka

At biktima ng hamletting

No man's land sa kanayunan
Apektado rin ang mga katutubo
Operation "wipe out all sympathizers"
Sinunog ang mga tahanan, pananim,
baboy at manok
Animal na berdugong militar
Walang patawad sa mga pobrang magsasaka

Justice, justice
Sa mga pobrang magsasaka
At biktima ng hamletting

HAMLET (ENGLISH)

Damn this merciless regime
Massacres here and there
They hamlet the villages
They evacuate the masses
To the basketball gym
Chicken pox, measles and fever spread
Dead babies are crawling with ants

Justice, justice
For the poor farmers
And victim of hamletting

No man's land in the countryside
Even the indigenous peoples are affected
Operation " Wipe out all sympathizers"
They set fire to homes, crops, pigs and chickens
Inhumane military butchers
No mercy for the poor farmers

FASCIST-DIKTADOR

Fascist diktador
Fascist Hitler

Back in the days, even today
It's all about imperialist war
It's all about imperialist war

The boss, the bully, the pigs...

Attention sisters, and brothers
To build the Aryan nation
They gathered all the Jews
They were labeled, massacred,
and gas chambered!

Fascist Hitler
Fascist W.Bush

Attention sisters and brothers
This fascist racist empire
They gathered Muslims and other minorities
Up in the "Homeland" security
Where are the next concentration camps?

Everyday, everyday they keep on shoving us their filtered news
Everyday, controlled and confused
shoving drugs to our youth

Attention sisters and brothers
with your undivided attention and solidarity
U.S. has been waging undeclared war
all over the world
Let's not forget!
The pigs did not just kill the Indians!
They wiped them out!
That is right!
They eliminated them!!!

BAKIT?

Bakit ang hirap ng buhay?
Bakit ang mahal ng bilihin?
Bakit ang baba ng sweldo natin?
Baon sa utang hanggang sa hukay.

Eh bakit nga eh?
Magsasakang inagawan ng lupa

Eh bakit nga eh?
Doon sa kanayunan

Eh bakit nga eh?
Mga panginoong maylupa

Eh bakit nga eh?
Manlolokong gahaman!

Bakit kayo nagaabroad?
Don't worry, God will provide
Ah, now I get it!
Obviously 'di ako tanga,
tanga ang mga nasa Malacañang

Eh bakit nga eh?
Mga manggagawa sa kumpanya

Eh bakit nga eh?
Mababa ang sahod

Eh bakit nga eh?
Bawal pang mag-welga

Eh bakit nga eh?
Hirap across the board nationwide!

Your so-called "improvement"
is like a broken record
Bowing down and borrowing
from IMF World Bank

Too expensive to live, and you're full of lies
Too expensive to die, and you're full of lies

Eh bakit nga eh?
Lupa at trabaho

Eh bakit nga eh?
Pagkain at tahanan

Eh bakit nga eh?
Edukasyon at karapatan

Eh bakit nga eh?
Pagkain at tahanan

Lupa at trabaho
Pagkain at tahanan
Edukasyon at karapatan
Ipaglaban!

BAKIT?/WHY? (ENGLISH)

Why is life so hard?
Why are the commodities so expensive?
Why are our wages so low?
We are buried in debt until death

But why?
Peasants whose land was taken
There in the countryside
By landlords
Scheming and full of greed

Why do you go abroad?
Don't worry, God will provide
Ah, now I get it!
Obviously, I'm not stupid
The stupid once are in Malacañang
(the white house of the Philippines)

But why?
The workers in the factories
Have low wages
They are not allowed to strike

Misery across the board, nationwide!

But why?

Land and employment

Food and shelter

Education and rights

Struggle (for all the above)

Kung bakit kung sino-sinong lalaki'ng

Inuuwi niya sa bahay,

Iisa lang ang sinasagot niya sa 'kin

Naghahanap daw siya ng ipapalamon

sa 'ming magkakapatid

Sa puke niya raw kami lumabas

Kaya mula sa puki niya kami kumakain"

Because my mother was a whore
Whenever I ask my mother
Why she comes home bringing different men
She only has one answer for me
That she’s trying to find us food to eat
She says we came from her cunt
That’s why we live-off her cunt”

AWIT NG PAG-ASA

Kahit kay haba ng lalakbayin
Daang tag-araw man ang humagupit
Kahit ilang libong tag-ulan ang sumapit
Hinding-hindi tayo titigil

Dahil mithi nati’y palayain
Bawat isa sa pagkaalipin
Sa gitna man ng gutom kahirapa’t pasakit
Hinding-hindi tayo susuko

Kahit na may bagyo
Kahit na may unos
Kahit may libu-libong kaaway
Kahit na magapi at isa ang matira
Sa ating dakilang hanay

Tayong manggagawa at magsasaka
Sambayanan ay muling babangon
Ipagtatagumpay ang bawat labanan
Sa buong daigdig

Kahit hadlangan ng libong armas

Ang ating hukbo ay hindi aatras
Lakas ng masa ang ating sandigan
Saan mang laranga't digmaan
Sa buong daigdig

AWIT NG PAG-ASA/SONG OF HOPE (ENGLISH)

Though our journey is long
Even if a hundred summers beat us down
Though a thousand rainy seasons may come
We will never ever stop

'Cause our desire is to free
Each other from slavery
Even amidst hunger, misery and suffering
We will never ever surrender

Although there are storms or hurricanes
Although there are thousands of enemies
Even if only one remains alive
Among our heroic ranks

We, the workers and peasants,
The people, will rise again
To win and conquer each battle
In the whole wide world.

Even if we are hindered by thousands of guns
Our army will never ever retreat
The strength of the masses is our stronghold
In any aspect of war
